

Titus Women

ALL OF ME FOR ALL OF JESUS

We are women who know the joy of the Spirit-filled life. We live and abide in the love of Jesus, trusting that He is enough to meet every need and satisfy every heart.

The Promise of the Father

Between the resurrection and the ascension, Luke reports that Jesus gathered his disciples around him and gave them these inviting and loving instructions: "Do not leave Jerusalem, but wait for the gift my Father promised, which you heard me speak about. For John, you are baptized with water, but in a few days, you will be baptized with the Holy Spirit."

This gift of the Spirit of Jesus opens the book of Acts, and when He comes and fills the living temple of the body of Christ, the world is transformed! The covenant is restored, and the new creation begins!

When the Spirit of God comes and makes a temple of human hearts and human lives, nothing is ever the same! The coming of the Spirit of Jesus into the inner lives of the disciples, family members, and women who gathered in the upper room, on that most important Pentecost Day, was the fulfillment of all the Old Testament prophecies of God Himself coming to live with and in His people.

This winter, we will study the breathtaking book of Acts together. Not only will we learn of the beginning of the church in the world, but we will also be invited to be part of the living temple of God in His world. Not only was the Spirit given once, but He is given to all those who believe on the Lord Jesus and are willing to live under His Lordship. When we do, God comes to make His home in our lives and involve us in His divine purposes around the world. And this, my friends, is the joy and the adventure of loving Jesus and being filled with His Spirit...on mission with the Father so the world might know Jesus.

You are invited to join us as we study the next step of God's redemptive story in the world. Share with a friend as He leads you!

Bible Study begins next Tuesday night at 7:00 pm EST. You can go online to register and receive the zoom link as well as week 1 homework. To be honest, the homework is so important because it helps us to linger with His Word and learn directly from Him. Come prepared to share what He is teaching you!

Also, watch the news for upcoming Titus events for 2025. We are excited about what Jesus is unfolding for this new year. Please take time to visit our website, explore resources, get updates on the Titus Women calendar, and sign up for the prayer team or special prayer opportunities, He is opening in 2025.

Our theme song this year is from the Asbury Revival in 1970 and Outpouring in 2022. "Surely, the Presence of the Lord is in this Place." Spend some time with Him listening to these words and inviting Him into this new year. Listen to it here.
